Art at The Hive

“Art enables us to find ourselves and lose ourselves at the same time.”

– Thomas Merton

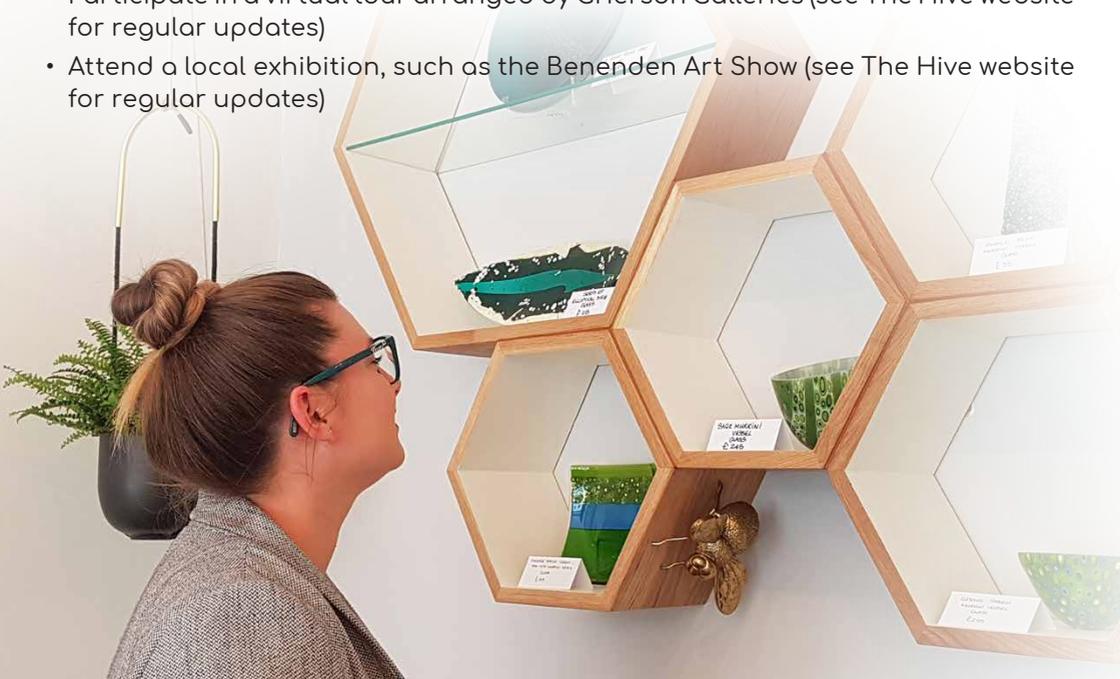

As part of providing our customers with a truly immersive hospitality experience to pique all senses, we've collaborated with Grierson Galleries to exhibit the best of contemporary art from a diverse range of local and international artists.

There is always something new on display, with the Grierson team continually sourcing and showcasing a rolling exhibition of professional paintings, photography, sculptures, glass and ceramic work and other hand-crafted products.

Gallery Director Annie Watsham describes The Hive as the “perfect forum to appreciate a truly vibrant range of talent while seeing friends, working, or taking some time out to relax.”

You can enjoy our art in the following ways:

- Simply pop in for a coffee and absorb the art on display, or ask a member of staff to show you around each space at your leisure
- Arrange a private viewing, or attend one of our regular exhibition launches held at The Hive
- Participate in a virtual tour arranged by Grierson Galleries (see The Hive website for regular updates)
- Attend a local exhibition, such as the Benenden Art Show (see The Hive website for regular updates)

About the artists

Grierson Galleries aims to select artists who have already established value in the art world, having exhibited in various galleries, including the Grierson collection right here at The Hive, or even at the Royal Academy. Grierson Galleries specialises in further exposing and promoting the work of both local and international artists, adding to their value and prestige on the market. At The Hive, we don't just work hard, we play hard. Throughout the year, we have a number of regular social events enjoyed by every cross-section of the community.

You don't need to be single to join in the fun – all ladies are welcome! Held on the second Thursday of the month, the evening also provides an opportunity for female lifestyle and retail business owners to showcase their products and services. Don't sit at home when the world awaits your sparkle.

Music & Meze

One of the most popular events in our social calendar, this medley of mellow music and mouth-watering meze is held on the first Friday of every month. After a hard week at work, what better way to unwind than to enjoy the best in jazz, blues and soul, by supporting live local talent organised and promoted by Big WOW Live. Meet up with friends, family or colleagues for a night of great entertainment and authentic Greek meze. Tickets include food and a drink. Please note, this is a limited ticket event, so do book early to avoid disappointment. Seating is limited and table choice is on a first-come-first-serve basis.
